

*Introducing the Memjet C6030 MFP. All the convenient color capabilities you need in a business printer.*

**C6030** MFP

Powered by  
**memjet**

***YOUR MULTIFUNCTION PRINTER SHOULD BE THIS FAST AND COST EFFECTIVE.*** The C6030 MFP represents a new choice in office printing, scanning and copying. Convert your office to color. Print color pages in one second, with low running costs, refillable tanks and using significantly less energy than laser devices.

## COST-EFFICIENT.

Time is money. The C6030 MFP combines the productivity of high speed printing with copy and scan functions at a cost-per-page that is a fraction of color laser pages. Add more savings with authorized refilled C6000 Series ink tanks. Combine the low acquisition cost of the C6030 MFP with its low cost-per-page and immediately convert your office to affordable color.

## SUPER FAST. MEMJET® FAST.

The C6030 MFP uses Memjet® Waterfall Printhead Technology™ to deliver at one page per second and at a 1600x800 DPI resolution it delivers professional edge-to-edge marketing materials in a fraction of the time and expense of other solutions. Print and copy full-size business photos quickly and conveniently.

## C6030 MFP SYSTEM

- Memjet revolutionary page-wide printhead with 70,400 nozzles prints up to 774 million dots per second
- Easy to install replaceable printhead
- Ink tanks designed for authorized refill

## TECHNICAL SPECIFICATIONS

### PRINTING

Speed:	60ppm
Resolution:	Color: 1600 x 800; Black: 1600 x 800
Printhead Cartridge:	OST5.1 print head (user replaceable)
Print Pipeline Hardware:	Single OmniPEC
Maximum Dot Rate:	774 million dots/sec
Single/Double-sided Printing:	Single sided (simplex) Manual (SW duplex)
Print Driver:	Hybrid Host Based Driver supports popular Windows™ and Mac™ operating systems.

### PRINTER CONNECTIVITY

USB:	USB 2.0 Hi speed with type B connector
LAN (wired)	100 Base –TX Ethernet 100 (802.3 u)
User Interface	Status information via printer driver Embedded web server Mac and Windows tool box Full MS certification
Control Panel	Color LCD display with alphanumeric keypad.

### COPY AND SCAN

Copy/Scan speed:	20PPM at 300 by 300 DPI
Copy/Scan modes:	Color and monochrome
Software scan resolution:	75 to 2400 DPI
Scan to email:	PDF
Scan to network:	JPEG, PDF
Scan software:	Scanning and editing software for direct USB connection
Maximum number of copies:	99
Scaling:	Auto-100%, Custom- 25% to 400%
ADF paper capacity:	50 sheets 70GSM/19lb
Scanner paper sizes:	ADF: US Letter, A4, US Legal Flatbed: 4x6(inches) 101x152(mm) to US Legal

### INK AND PAPER

Ink Tanks:	4 ink tanks-CMYK Color: 50ml per tank Black: Single tank 100ml Yields*: C- 7510 pages, M- 4830 pages, Y- 5050 pages, K- 4600 pages
Ink Dry Time:	Less than 1 second. Paper dry to the touch before leaving printer.
Ink Refill:	OEM authorized ink refill

### USAGE

Recommend Monthly Print Volume:	1000 to 4000 per month
---------------------------------	------------------------

### MEDIA

Paper Sizes:	Paper tray: A4, US Letter and US Legal Multi-purpose tray: 6" x 4" to US Legal
Paper Types:	Plain paper, glossy and matte microporous coated inkjet paper.
Paper Weight:	Main Paper tray: 70 to 120 gsm 19 to 32 lb Multi-Purpose tray: 70 to 240 gsm 19 to 75 lb
Paper Tray:	Main Paper tray: 250 sheets 70 gsm/19lb Multi-Purpose tray: 20 sheets 70 gsm/19lb
Output Paper Tray:	125 sheets. Face-up correct order

### OTHER

Power Consumption:	110V/60Hz	220V/50Hz
